

Submit this form to the planning officer. The plan will be discussed in the thesis project seminar.

Name of the student	MA in Dance Pedagogy	MA in Theatre Pedagogy
My thesis project is		
a) art-pedagogical (includes a practical component that will be examined)		
b) thesis		
If your thesis project has a practical component that will be examined, describe its content briefly and mention where you will carry it out.		
The working title of the thesis / written component of an art-pedagogical thesis project that includes a practical component. Also give a short description of the contents and the methods used.		
Describe the art-pedagogical goals, perspectives and possible research questions of your work.		
The language of my degree and thesis is		
<i>The student must complete the thesis in the degree language (Arts University Education Regulation Section 35). This also applies to the language of the written part. The right to complete the thesis in a language other than the language of the degree is decided by the Dean.</i>		
I am applying for permission to complete a thesis in a language other than my degree language - please explain why		

Planned date of graduation	Return date of the written thesis component
My proposal for supervisor of the thesis project (name and email address)	
My proposal for examiners of the thesis project (names and email addresses)	

The supervising teacher checks the originality of the written part of the thesis with a plagiarism detection tool.

The student personally uploads their thesis to the electronic originality checking system and sends this same version to the planning officer of their degree programme (who sends it to the examiners) as well as to the Taju database.

DATE & STUDENT'S SIGNATURE

DATE & PROGRAMME LEADER'S SIGNATURE

I am in favor of the student's application to complete the thesis in a language other than the degree language.
